Different Usage

It is not always possible to use the primary logo. Situations may arise where a different version can be a good option.

Even So, try to emphasize the primary logo as much as possible.

Things to Avoid

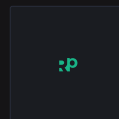

Do not flip

Do not distort in any way

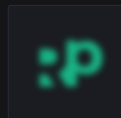

Do not use any other color palette

Avoid using too small proportions

Do not rotate

Do not blur

Avoid placing the logo where there is less contrast

Avoid using too big proportions

The diagram shows how our exclusion zones are
